

80th Fighter Squadron Newsletter

JUNE 2015

COMMANDER'S WORDS

The Juvats just returned from a month long deployment to Exercise RED FLAG – Alaska and DISTANT FRONTIER. We flew over 320 sorties, 600 flight hours and expended 330,000+ pounds of missiles, bullets, rockets and bombs...it was epic. I couldn't have been more proud of the discipline, professionalism and lethality of the Juvat warriors. The pictures below are from Alaska and I will attach a link at the bottom to more pictures.

This is my final Juvat monthly newsletter. Best of luck to Trap Crowell (JL 110) and Heather. It has been an honor and privilege to serve along side the men and women in the greatest fighter squadron in the Combat Air Forces...the JUVATS.
