## JULY 2015

### COMMANDER'S WORDS

Thank you for the Juvat welcome! Heather and our youngest loved roaming the halls after the change of command. Nük, complete class act! Crush Em!

Punk Assignments for the fall finally made it...Axe is off to Shaw; HOBS and Kramer/Amanda are off to Misawa and we have 3 going to Aviano: Bolt, Spawn, and Hyde/Dani.

The weather has taken a few of our Kunsan by the Sea fly days but we have managed to rage through the skies of late in our Air-to-Air focused BFM, ACM, and DCA. A special thanks to the 179 FS Vipers from Duluth, MN for the combined DCA vults.

The next few months will continue to be busy with the local exercise at the end of July and half of the squadron traveling out to Singapore in Aug.
